Inglés

6.º de Primaria

Estudiamos el present continuous y el pasado del verbo to be (was / were).
Con teoría, ejercicios y soluciones.

Consejo: el present continuous es acción de ahora mismo: am/is/are + verbo terminado en -ing (I am playing = estoy jugando).

The present continuous

Acciones que ocurren ahora. Forma: am / is / are + verbo-ing. Ejemplos: I am playing (estoy jugando), She is reading (está leyendo).

Spelling of -ing

Normalmente se añade -ing (play > playing). Si el verbo acaba en -e, se pierde (write > writing). Algunos doblan la consonante (run > running).

The past of to be (was / were)

I / he / she / it was; you / we / they were. Ejemplos: I was happy, They were at home. Negativa: wasn't, weren't.
